HYBRID FORMAT ELECTIVE

We are offering three elective courses this Winter in hybrid format. A hybrid format is a course format that combines online learning with a residential session schedule different from the traditional residential courses that meet once a week throughout the trimester. Hybrid formats may include sessions on select weekends or sessions that meet more intensively for one or two weeks. Hybrid formats enable us to offer courses at times that may be more convenient for some students, to bring in visiting professors who may be otherwise occupied during the trimester, and allows some of our distance students to participate in residential classes. Please read the course description and note the dates the class will meet residentially on the NSU main campus in Fort Lauderdale, FL. Attendance at these residential sessions is mandatory.
